The beginning needs to start mf and not forte, try playing the left hand chords with the right hand for the first two bars and then a sudden change to Piano.
Your tempi were rather erratic, and you speeded up at bar 11 and 12, the natural accelerando is in the next bar.
At bar 27, you have a 'tempo rubato', this is allowing you a freedom and chance to make new colours, which you didn't take advantage of.
Your performance was a little mechanical, you need to give an emotional 'impression' of thoughts and feelings.
